Course Logistics

- The course involves months of planning to ensure that students get the opportunity to interact with eminent leaders or are privy to exclusive interviews. **Hence, we require that students ensure that they are truly present and engaged in class.**
- Attendance and participation at **8** sessions and Essay 1 are the requirements for passing course grade. One excused absence is allowed without make up reflection assignment.
- Grading: Pass/Fail, 1 Unit or 2 Units (students who take the course for 2 units will be asked to complete a short reflection paper. The prompt for Essay 2 is available in the Assignment section)
- Any session that is missed can be made up by independently viewing the missed interview recording and writing a brief 250–500-word (i.e. 1/2 page –1 page) reflection on the moral and ethical leadership elements they took away from that interview. The reflection should be submitted no later than one week before the end of the quarter.
- There will be brief required reading assignments posted on Canvas.
- For OAE Accommodations, please email OAE letters as soon as possible to Dr. Dean Winslow via dwinslow@stanford.edu
